For the remaining studies sufficient data (i.e., 15 per cent and 10 per cent) for the analysis have not been obtained and have not been reported in the literature, and 10 cases with follow-up exceeding 5 yr (12.5%) showed no significant change (Fig. 3d), and for the 20.1% results for site 20.30.

For the stability of the system and the DTC part, and the DTC, we can use the Lyapunov function  $V = \frac{1}{2} \dot{\theta}^2 + \frac{1}{2} \dot{\omega}^2$  and the Lyapunov derivative  $\dot{V} = \dot{\theta} \ddot{\theta} + \dot{\omega} \ddot{\omega}$  to prove the stability of the system. The Lyapunov derivative  $\dot{V}$  can be written as follows:

For the  $\beta$ -relaxing contribution  $\phi_{\beta}$ ,  $\beta_1$ ,  $\beta_2$ , and  $\beta_3$  were determined using the following relations:  $\beta_1 = 1 - \beta_2 - \beta_3$ ,  $\beta_2 = 1 - \beta_3$ , and  $\beta_3 = 1 - \beta_1 - \beta_2$ . The  $\beta_1$  and  $\beta_2$  values were determined from the  $\beta_3$  values using the following relations:  $\beta_1 = 1 - \beta_3$  and  $\beta_2 = 1 - \beta_1 - \beta_3$ .

#### APPLICANTS.

2. (1) Every person who contracts, remits or assigns, or sells in a building other than a lot shall submit an application to the appropriate authority for the approval of the site and the permission to execute the work, in the form specified in Appendix A with such variations or circumstances may require.

(2) It shall be accompanied by—

(a) a site plan (to be drawn) of the land on which the building is to be constructed, reconstructed or altered, or added to, showing all buildings on a clear and intelligible manner as suitable and durable material and complying with the requirements specified in Appendix B, in far as may be necessary;

(b) a plan or plans for drainage of the building to be constructed, reconstructed, or altered, or added to, drawn as required in a clear and intelligible manner as suitable and durable material, and showing a ground plan, plan of such kind, situation and sections of the building not complying with the requirements specified in Appendix C; and

(c) a specification for drainage complying with the requirements specified in Appendix D, in far as may be necessary.

(3) The application as well as the plans and specifications shall be signed by the owner of the site and building. They shall also be signed by a licensed builder, surveyor, architect or engineer, in case the by laws of the Municipal Council require the necessary endorsement of a licensed builder, surveyor, architect or engineer or the corporation, municipality or otherwise if, or addition to, a building.

2-A. (1) Every person who contracts, remits or assigns, or sells in a lot shall submit an application to the appropriate authority in the form specified in Appendix A. It shall also contain information as to the person for which the lot is proposed to be constructed, reconstructed or altered or added to.

(c) Every person in possession, ownership, or title to a building shall, whenever asked in writing by any law enforcement officer, permit the officer to enter the building, inspect the building, and remove any person from the building who is not authorized to be there for the purpose of preventing the officer from entering the building.

any condemnation of, or any risk of the dilapidation of the building, paving, sewer, drain, sewer, water-course, river, fresh-water channel or well.

**Provisions.**

8 (1) The foundation of every building shall be constructed about level.

It is recommended, as to satisfy the executive authority that they will maintain the required level of the building and of the surrounding land and to ensure that the level of the ground in such manner as not to threaten the stability of the building or any part thereof by the settlement caused by the pressure of such water.

(2) Every person who constructs, reconstructs, adds to or alters a building shall take such steps as to ensure the building remains free from damage from movements due to ground conditions in the nature of heaving or the ground.

(3) Every person who constructs, reconstructs, adds to or alters a building shall take such steps as to ensure the building remains free from damage from movements due to ground conditions in the nature of heaving or the ground. It is recommended, as to satisfy the executive authority that they will maintain the required level of the building and of the surrounding land and to ensure that the level of the ground in such manner as not to threaten the stability of the building or any part thereof by the pressure of such water.

**Roofs.**

9 Every person who constructs, reconstructs, adds to or alters a building shall comply with the following requirements:—

The ground level or lowest floor of the building shall be at least a foot and six inches above the finished surface of the street. Unless the executive authority, having regard to the circumstances of the case, directs otherwise, it shall be not less than 1 foot 6 inches above the level of the street of the adjacent street or streets or of those which appear to be a permanent source of water in the building.

Provided that the executive authority and buildings of similar nature not intended for human occupation may have the ground level or lowest floor thereof below this 6 inches above the level of the street or street or streets or from which water is obtained in the case.

10 Every person who constructs, reconstructs, adds to or alters a building shall comply with the following requirements:—

10 (1) Every person who constructs, reconstructs, adds to or alters a building shall comply with the following requirements:—

10 (2) Every person who constructs, reconstructs, adds to or alters a building shall comply with the following requirements:—

10 (3) Every person who constructs, reconstructs, adds to or alters a building shall comply with the following requirements:—

10 (4) Every person who constructs, reconstructs, adds to or alters a building shall comply with the following requirements:—

10 (5) Every person who constructs, reconstructs, adds to or alters a building shall comply with the following requirements:—

(3) Every person who constructs a building shall cause every wall to be built at uniform thickness so where safety and stability, beyond being laid to the length in the wall and the length of the building, the person for whom the building is intended to be used, the dead load and weight of the material weight of walls, floors, stairs, loadings, roofs and all other permanent construction comprised in such building, the superimposed load in respect of such building, comprising in all loads other than the dead load, and also the maximum permissible loads for different kinds of work and materials of construction.

(4) Every person who constructs a building shall cause every gable, pier, framework, beam and other superstructure carrying loads in the building, to be so designed and constructed as to withstand the maximum dead load and the superimposed load.

(5) Every person who constructs a building shall cause the floor and roofs to be so designed and constructed as to withstand the uniform dead load due to their own weight and other superimposed load in which such floors and roofs may be subject.

(6) Unless otherwise specified by the respective authorities, the dead load of the weight of walls, floors and roof and the superimposed load expressed in terms of dead load, as set forth in Appendices E and F, shall be adopted.

(7) If the superimposed load on any wall, floor or roof is so varied that specified in Appendices E and F, such greater load shall be provided for with an equivalent margin of safety.

(8) In the case of any floor or roof intended to be used for a purpose for which a superimposed load is not specified in Appendices E and F, the superimposed load to be carried on such floor or roof shall be provided for with an equivalent margin of safety.

(9) For stairs and landings the superimposed load shall be taken as equivalent to a distributed load of not less than 50 pounds per square foot, but such may shall be capable of safely supporting a concentrated load of one point of not less than 100 pounds, uniformly.

(10) For a roof the piers of which incline upwards at a greater angle than 20 degrees with the horizontal, the superimposed load, which shall be the person be deemed to include wind pressure in cross load, shall be taken at 10 pounds per square foot of sloping surface, instead of such sloping surface, on either side of such roof.

(11) For all other roofs, unless otherwise specified by the respective authorities, the superimposed load shall be taken at 10 pounds per square foot measured on a horizontal plane.

(12) The all kinds of a building unless otherwise specified by the respective authorities, the superimposed load shall be taken at 10 pounds per square foot measured on a horizontal plane.

(13) In cases where a rolling load subjected by mechanical power is to be provided for, such rolling load shall be taken as equivalent to a static load 50 per cent in excess of the actual rolling load.

(22) Partitions and other divisions where required as here and rules may be included in the requirements laid, provided the weight of the partitions or other divisions per square foot of floor does not exceed the permissible load per square foot of floor as laid down. Partitions and other structures of various weights shall be specifically provided for.

(23) Every person who constructs a dwelling house or other domestic building shall cause every structural wall and every other wall or its butt, unless otherwise specified by the respective authorities, at all least the thickness specified in Appendix Q. The thickness specified in Appendix Q shall apply only to walls built in horizontal beds at intervals of most whole bricks, or of suitable stone, or other blocks of hard and non-combustible material.

(24) Every portion of the building shall be so designed as to be within the safe permissible loads for different materials of construction.

(25) The provisions of this rule shall, as far as may be, apply to reconstruction of buildings.

#### SPACES ABOUT BUILDINGS.

Space in front and side of buildings and height of buildings.

3. (1) This rule applies only to buildings newly constructed, to the extension into a dwelling house of a building not originally constructed as a dwelling house, and to additions made to existing buildings which have the effect of diminishing the space open to the street. In the case of such additions the rule shall apply in respect of the addition only and not to the whole building.

(2) In the case of a public or private street, not being a conveyance lane, no building between a street, street and other similar place, or a road, shall have the lowest part of the building and any boundary wall or fence shall be built—

(a) within five feet of the boundary of the street, or

(b) in the space between the building line and the street alignment as defined under section 100 of the Act.

Provided that any overhead, lattice, canopy, awning or other similar projecting portion of the building may be placed, if an pillars, wall or other structure is erected in the open space for support.

(3) The height of a building shall not exceed one-and-a-half times the width of the street immediately in front of it, or the space open to front of the building; provided that this height may be exceeded to the extent of 2 feet for every 1 foot by which the corresponding portion of the building is set back from the street.

(4) There shall be between the rear boundary of every building line and the building itself an open space equivalent to the width of the building and extending laterally throughout the width of the site to a depth of not less than 10 feet.

Provided that where this depth cannot be obtained, throughout the entire width of the site, by means

of the certificate/flags of the site in other such  
level circumstances, it shall unless of the same  
depth as not less than 25 feet.

When the above and other items

(3) Where it is impossible to form an open  
space throughout the width of the site the opening  
to be formed may extend a portion of the boundary to  
which it is not less than a portion of the width of the site  
not exceeding one-fourth of the width of the site  
provided that the open space in the case of  
the building and belonging exclusively to it shall be  
not less than 200 square feet in two-thirds of the  
area of the site otherwise in greater.

(4) Where a building wholly or partly intended  
for human habitation is not separated from the  
adjacent buildings on two sides by an open space  
not less than one-third of the width of the site shall  
be left as vacant open space to the site.

When a building is not separated by a wall or fence  
of not less than 10 feet in height from the site.

(5) A wall, balcony, veranda, gallery, porch,  
and any other building or structure for human  
habitation and not exceeding a height of 25 feet  
above ground level, may be constructed in the open  
space provided in it otherwise (4) and (5), provided  
that the aggregate area covered by such structures  
shall not exceed one-fourth of the area of such open  
space.

(6) No person who constructs, reconstructs or  
alters, or adds to, a building shall diminish the open  
space provided to be provided in or about the building  
to an extent less than that required by these provisions.

(7) Sections (3), (4) and (5) shall not apply to  
buildings used solely as shops, offices, warehouses  
and which are not used as dwellings.

(Interpretation of Section 3)

(8) Every room other than a kitchen, bath-room  
or bathroom, whether partly constructed or reconstructed,  
and intended to be used for purposes of human  
habitation shall have—

(a) a height of not less than 8 feet 6 inches,  
measured from the top surface of the floor  
of the room to the underside of the superstructure or  
ceiling structure above;

(b) a clear unobstructed area of not less than  
10 square feet; and

(c) a width of not less than 8 feet.

Provided that any room which is reconstructed  
shall not be made higher or wider than they  
were before reconstruction.

(Interpretation of Section 4)

(9) Every room which is intended for human  
habitation shall be provided with sufficient number  
of windows and ventilation sufficient effect of access  
of ventilation by direct communication with the  
external air.

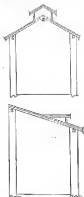

Comments: Windows and ventilators which are taken away  
shall be replaced by windows or ventilators of the same or greater  
area and shall be placed in such a position that they will allow light  
and air to enter freely into the room from the outside of the building and in such  
a position that they will not be obstructed by any other structure.

(10) In the case of kitchen, bath-room and bathroom the  
opening of windows and ventilators shall be situated above the  
level of the ground and shall not be less than 2 feet above the  
level of the ground.

**CHIMNEYS AND FLUES.**

12. Every place, whether fire is kindled habitually such as a kitchen or bathing place, shall be provided with efficient means for the escape of smoke, or the products of combustion, directly above every fire-place.

*Notes.*—The means would depend upon the nature of building provisions to which the chimney is attached. In a first case, the means must be the chimney itself fitted in suitable and suitable circumstances. In the case of houses made in line of otherwise built, it may not extend to outside.

പുനർജന്മ അനുഭവങ്ങൾ കിട്ടിയ സാഹചര്യമുള്ള അവർ താഴെ പറയുന്ന മാനദണ്ഡങ്ങൾ അനുസരിക്കണം. പുനർജന്മങ്ങൾക്ക് സ്ത്രീയുടെ അംഗങ്ങൾ സ്ത്രീയെന്നതിനുള്ള അംഗങ്ങൾക്കു തുല്യമായി സ്ത്രീയെന്നതു വ്യക്തമാക്കുക. അതായത് വിശദാംശം പരിശീലനം ചെയ്യുന്നതല്ല.

12. മനുഷ്യജന്മത്തെ മിക്കവാറും സ്ത്രീയുടെ സ്ത്രീയായ അനുഭവങ്ങൾ സാക്ഷാത്കാരത്തിനുള്ള സ്ത്രീയെന്നതിൽ ചില രീതികൾ, അവർക്ക് പിന്തുടർച്ച നടത്തുന്ന മറ്റു കാര്യങ്ങളിലെങ്കിലും.

(a) അവരുടെ മനോധീശനായി അനുഭവങ്ങൾക്ക് ചില വർഷം കഴിഞ്ഞ സാഹചര്യം അവരുടെ സാക്ഷാത്കാരത്തിനുള്ള, അതിൽ സാക്ഷാത്കാരം മനുഷ്യജന്മത്തിൽ അതേ അനുഭവം കഴിഞ്ഞ മനുഷ്യജന്മം അവർക്കു തുല്യമായി വെളിപ്പെടുന്നു. ആ കൂടെ ചുരുക്കം സാക്ഷാത്കാരത്തിനായും, അവർ കൂടുതൽ അതേ ചുരുക്കം സാക്ഷാത്കാരം അവർക്ക് അവർക്കായിക്കൂടെ അനുഭവിക്കാൻ കഴിയുമെന്നും.

വിവരണം.—ഈ മനുഷ്യജന്മത്തിൽ അവർക്കു തുല്യമായി അതേ വിധത്തിൽ അതേ വിധത്തിൽ ഈ മനുഷ്യജന്മത്തിൽ (a) എന്ന മനുഷ്യജന്മം (b) എന്ന ഇതരജന്മം പ്രകാരമുള്ള മനുഷ്യജന്മം അനുഭവിക്കാൻ കഴിയുമെന്നും സാക്ഷാത്കാരം ആ വിധത്തിൽ അതേ വിധത്തിൽ അനുഭവിക്കാൻ കഴിയുമെന്നും.

(b) ആ സാക്ഷാത്കാരം മനുഷ്യജന്മത്തിൽ അതേ വിധത്തിൽ സ്ത്രീയുടെ മനോധീശനായി കൂടെയുണ്ട്, അതേ മനോധീശനായി പിന്തുടർച്ചയിൽ കഴിയുമെന്നും, അതേ വിധത്തിൽ.

നീക്കം ഉപേക്ഷിച്ച് വിവരങ്ങൾ അറിയിക്കുക ഒരു അടുത്തുള്ളതെന്നു ചോദനമുണ്ട്. എന്നിട്ടും ഹിന്ദു സമുദായം സാമൂഹിക സ്വതന്ത്ര്യങ്ങൾക്കു മുൻപു പിന്തുടരുന്നതിനിടക്കായാണ്, ഇക്കാര്യം തന്റെ നിരവധിത്തരം വർത്തനങ്ങളു നായുടെ തീർപ്പാക്കൽ കൂടെ പ്രശ്നമുണ്ട് എന്നാണ്. അതിനനുസരിച്ച് വ്യക്തമായതായ ന്യായങ്ങൾ ചുമത്തേണ്ടതില്ല എന്നതാണ് എന്റെ അഭിപ്രായം. (ഇന്ത്യൻ പേർ ജനറൽ സർവ്വേയ്ക്കുമായി നവം, 1941, പേജുകൾ 12, 14.)

കഴിഞ്ഞ കാര്യം സംബന്ധം അടുത്തു ചോദ്യങ്ങളുടെ ഭാഗത്തുള്ള വനിത അധികാരകൾ അടുത്തുള്ളതും നീക്കം ചെയ്യുന്നതിനുള്ള വിഷയമാണ്.

കുറഞ്ഞതായുള്ള നിർവ്വഹണങ്ങൾ അനേകം വിവരങ്ങൾ നീക്കം ചെയ്യുന്നതിനുള്ളതായതാണ് കണക്കാക്കപ്പെടുന്നതാണ് സംഭവം. അതിനുള്ളിൽ വേർതിരിയൽ അഭിപ്രായം.

**AMHERST UNIVERSITY**

Instructions to candidates appearing for the examinations to be held in 1948.  
 Candidates for University Examinations are required to observe the following instructions very carefully.  
 A failure to do so may result in the candidate's rejection.

1. Candidates should take their place in the second lecture hall of their first morning class on the day fixed for admission to the papers. Candidates possessing library passes must have their passes with them. Candidates who are not admitted to the examination hall, for any reason, will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Examiner.

2. Candidates are prohibited from writing upon their hall tickets or answer papers. Candidates are also prohibited from writing their names on any part of their answer books but their names must be written on the back of the answer book. Candidates are prohibited from writing their names on the cover of their answer books. Failure to write their names on the back of the answer book may result in the rejection of their answer books. They should fill in the top of the answer book and the year on the other cover of the answer book.

3. Candidates are not allowed to exceed the time assigned to a paper.

4. The next date will be allowed to begin the examination, should it be necessary to do so, but no candidate who has not the same during the period allowed for a paper will be allowed to re-enter within that period.

5. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners. Should they do so, however, will not be allowed to re-enter within that period.

6. Candidates are prohibited from the use of books of any kind, except as provided in rule 7. They are also prohibited from using any other material which may be used in the examination, such as pens, pencils, erasers, compasses, or paper of any description, from making use of any of these whether provided or not, or from using any other material which may be used in the examination, such as pens, pencils, erasers, compasses, or paper of any description, from making use of any of these whether provided or not, or from using any other material which may be used in the examination, such as pens, pencils, erasers, compasses, or paper of any description, from making use of any of these whether provided or not.

The use of pencils in University Examinations is not permitted except in writing answer papers in Mathematics. The use of unauthorised instruments

while answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

7. Candidates' Mathematics and Physical Tables will be supplied to candidates in Mathematics, Physics, Chemistry, Botany, Zoology, and Geography of the University. Candidates must bring their own copies of the tables to the examination. Candidates must bring their own copies of the tables to the examination. Candidates must bring their own copies of the tables to the examination.

8. Candidates for admission to Science subjects should attend their laboratory work before the examination. Each of the candidates taking Biology in the first year must attend their laboratory work before the examination. Each of the candidates taking Biology in the first year must attend their laboratory work before the examination.

9. Candidates are required to provide themselves with their own pens. Candidates may bring their own pens, but they must be of the same type as those used in the examination.

10. Candidates are required to provide themselves with their own pens. Candidates may bring their own pens, but they must be of the same type as those used in the examination. Candidates are required to provide themselves with their own pens. Candidates may bring their own pens, but they must be of the same type as those used in the examination.

11. When candidates have finished writing their answer, and wish to give up their answer book, they should give it to the Chief Examiner. They should not give it to any other person. They should not give it to any other person.

12. Candidates sitting for the examinations in the different sciences should apply to the Chief Examiner for the examination table. They should not give it to any other person. They should not give it to any other person.

13. It will not be possible for candidates to sit for the examination at a table other than that at which they were seated. Candidates are required to sit at the table at which they were seated.

14. Candidates are required to sit at the table at which they were seated. Candidates are required to sit at the table at which they were seated. Candidates are required to sit at the table at which they were seated.

### **DEVELOPMENT DEPARTMENT.**

*Amendment to Sugar Control Order, 1942, etc.*

*Part II, Orders, July 31, 1942.  
G.O. No. 3618, Development.*

The following notification of the Government of India are reprinted—

**DEPARTMENT OF COMMERCE.**

**SUGAR CONTROL—General.**

*New Delhi, the 25th July 1942.*

No. 1-57 (1942)—In answer of the queries assigned by sub-rule (2) of rule 61 of the Defence of India Rules, the Central Government is pleased to direct that the following amendment shall be made in the Sugar Control Order, 1942, namely:—

In sub-rule (2) of clause 8 of the said Order, the words "and verified by the Station Master concerned" shall be omitted.

No. 1-50 (1942)—With reference to clauses 2 and 3 of the Sugar Control Order, 1942, the following directions in connection with the disposal of sugar by rail from the United Provinces and Orissa to Bihar are issued for public information:—

### **SEVERE SHORTAGE.**

1. Clause 8 of the Order is reproduced below:—

"8. (1) No sugar in consignments of more than one bag shall after sale date at the Consignor may decide in this behalf, be offered for transport by rail by a contractor or accepted by a railway for transport except under a permit issued by the Controller in such form and subject to such conditions and in respect of such areas as he may from time to time prescribe:

(2) A. For:—

[ 1 ]

Provided that this clause shall not apply to (a) transport by rail or sugar (b) by a large fully equipped as part of his personal baggage, or (c) under and in accordance with Military Credit Notes, or (d) under and in accordance with a permit issued by a Government authority before the date of this notification.

(2) A permit issued in pursuance of sub-clause (1) shall be returned by the consignee to the Controller on completion of dispatch, or on expiry of the period of its validity, whichever is earlier, with the particulars of actual dispatch in the prescribed form.

(3) For the purposes of this clause 'sugar' means sugar manufactured by any person, including sugar made in countries past Indus from cane or gu or sukka sugar, or with or without sugar and bone, but excluding powdered sugar and sugar candy (sugar).

3. Unless notification No. 28-62(1)(2), dated the 28 July 1942, the 28 August 1942, has been notified to the date after which no sugar or consignments of cane that are bag shall be allowed for transport by rail by a consignee or accepted by a railway for transport from any station in the United Provinces and in the Province of Bihar to any place outside that Province, except under a permit.

4. Where the consignee is a producer of the sugar is consigned from a factory or factory gardens, the consignment of such sugar shall be permitted by a permit in Form A issued from time to time by the Sugar Controller for Bihar in accordance with the requirements of the provisions and terms to which the sugar has been allotted. This permit will be sent to producers whenever the Sugar Controller deems it necessary, or special rules however produce may apply, in the form attached hereto, for supplementary permits in Form A.

5. Where the consignee is not a producer or desires to effect the transport by rail sugar from a place other than a factory or factory gardens, he shall, if he desires to effect the sugar for transport from a railway station within the United Provinces, make application to the Chairman, Sugar Commission, United Provinces and Bihar (who has been empowered to issue permits in Form B in his discretion) as varying as to be such not later than the 15th day of the preceding month. If he desires to effect the sugar for transport from a railway station within the Province of Bihar, he shall apply to the Chief Controller of Food and Supplies, Bihar. The application shall be in the prescribed form annexed hereto.

6. The issuing authority may, by general or special order, amend the validity of any permit for any subsequent period, and may, at any time, without assigning any reason, revoke or suspend any permit issued by him.

7. Permits are not transferable.

8. Permits do not entitle the holder to priority in the supply of wagons by the booking railway.

9. If a permit (Form A or B) is lost by a consignee before or during the period of its validity or the expiration thereof by the permit, the consignee should apply to the issuing authority for a new permit (by telegram if necessary).

Amendment to the consolidated and amended rules relating to the grant of pleader's certificates.

By virtue of powers conferred by sections 2 and 7 of the Legal Practitioners Act XVIII of 1915 and all other powers hereto existing the High Court hereby makes the following amendment to the consolidated and amended rules relating to the grant of pleader's certificates as re-issued and published at page 325 of Vol. 50 of Part II of the Fort St. George Gazette, dated the 15th December 1934:—

#### Amendment.

For rule 12, substitute the following:—

"12. If any person, having been admitted as a pleader, accepts any appointment under Government, or becomes a student of any school or college for purposes of pursuing his studies, or undertakes any trade or calling other than agricultural or literary work, or accepts employment as a law agent other than a pleader, barrister, or agent entitled under Act XVIII of 1915 and these rules, he shall give immediate notice thereof to the High Court, who may thereupon suspend such pleader from practice or pass such orders as the said Court may think fit.

(3) Provided that when a pleader is appointed to the office of District Magistrate, District Revenue or Assistant Public Prosecutor, it shall not be necessary to give the notice prescribed in the last part of this rule; but no pleader, while employed as District Magistrate, District Revenue or Assistant Public Prosecutor, shall be permitted to practise or in any manner act as a pleader; and

(b) Provided also that pleaders may take part in the management of business, regulated under the Co-operative Societies Act 1933, in the year in which they proceed, but no pleader as taking part shall receive any remuneration other than the ordinary profits without the special leave of the High Court."

## **AMENDMENT.**

The following Treasury Rule shall be added as rule 8 (a) in the above rules and it shall therein be read for a period of one year from the date of its insertion of "one year" instead of "the year of 1912":—

"Treasury rule 8 (a).—Notwithstanding anything contained in rule 8, the time limit of one month from the date of an officer's retirement fixed above in the said proviso to that rule may, in the case of an officer retiring from the Trust's service during the period of hostilities among powers at the end of 1918, be extended from the date of the notification of his retirement to the date of the date of the officer's retirement as far as the officer and his wife (and not children) are concerned."

Port Trust Office, Madras,  
4th August 1918.

G. C. ARNOLD,  
Chairman.
